“To give light to them that sit in darkness and in the shadow of death...” Luke 1:79

May-June 2025

Dear Pastors and Praying Friends,

“I have no greater joy than to hear that my children walk in truth.” -III John 4

I always thought that the children in this verse was referring to our own offspring. In the context John is actually referring to Gaius and others that he has led to Christ and discipled. I know a little about that feeling that John is writing about. It has been a blessing to see so many Thai people grow in the Lord and become faithful after salvation.

Last month we had a Christian medical team come from the states for four days. They consisted of a doctor, a couple of nurses and some volunteers. We set up in different villages each day. They checked their vital signs, vision and gave medication as needed. While they were waiting to see the doctor, they would come to my table where I would share the gospel one on one. We saw 74 people pray and make a profession of faith in four days. We have all their information to follow up. Please pray for these new converts in their new walk with Christ.

I was able to purchase a used motorcycle that was a great need to get into the villages and get through the city when traffic is so heavy. Now I don't need to pay a taxi or depend on others to get us to the market. Pray for Susan as she rides on the back....lol. She doesn't mind the country roads, but riding in the city can be stressful.

We have been averaging around 20-25 in Pastor Worachai's truck on Sunday mornings. Normally we put seven in the cab and around 15 in the bed. We are praying that the Lord will provide the money for a 2016 van that we have found. The asking price is \$14,000 US dollars. Please pray that God will meet this need.

We are finally able to start on the training center. The rain has caused a lot of delays. The price of materials and labor has also taken more than we originally thought. We thank God that the property has been paid for, and we are able to build this training center to train Thai men for the ministry.

Our seventh grandchild will be born next month. Pray that all goes well with the birth. This baby boy will make four granddaughters and three grandsons.

Looking for Him to arrive in 2025,

David and Susan Hixon
